Photoshop CC, Illustrator CC, Gimp

## PROJECTS

**Neighborhood Map App** - cmdeveloped.github.io/neighborhood-map                      *July 2017*

- Single-page web application featuring food locations in Franklin, TN using Google Maps & Foursquare APIs.
- Includes third-party API usage for map and location services by fetching JSON data to populate app.
- App was created to help find places to eat around new home and was part of Udacity coursework.

**Game Catalog App** - 52.91.66.177                      *June 2017*

- RESTful game catalog application created using Python/Flask and utilizes OAuth 2.0 for authentication.
- Shows proper usage of various HTTP methods and how they relate to CRUD operations.
- Project was completed for Udacity Full Stack Development coursework and hosted using AWS Lightsail.

**Personal Website** - cmdeveloped.us                      *May 2017*

- Single-page responsive, personal website built using HTML, CSS/Sass, jQuery, and Bootstrap foundation.
- Created this site in partner with Udacity coursework while going above and beyond requirements.

**MyLift** - mylift.us                      *March 2017*

- Fitness application using Ember.js outputs correct workout programming based on goals and muscle groups.
- Single-handedly developed fast and easy way for gym patrons to create custom, goal-based workout plans.
- All programs output exercises with accurate requirements to reach user's goals based on NSCA guidelines.

## WORK EXPERIENCE

**PerfectFit 247** - *Certified Personal Trainer*                      Crestview, FL | *July 2016 - July 2017*

- Observe participants and inform them of corrective measures necessary for skill improvement.
- Evaluate individuals' abilities, needs, and physical conditions to develop suitable training programs to meet any special requirements.
- Plan routines and choose different movements for each set of muscles, depending on participants' capabilities and limitations.
- Helped the owner implement new training prices to increase profits by ~20% for both trainers and owner.
